Application No. 10/729,066
Amendment dated June 25, 2004
Reply to Office Action dated March 31, 2004

AMENDMENTS TO THE DRAWINGS:

The first attached replacement sheet of drawings includes changes to Figure 7a to form Figure 7 and replaces the original sheet of Figure 7a. The change to Figure 7a is the deletion of the "a" in the designation of the figure. A single Figure 7 is noted in the Brief Description of the Drawings, paragraph [0011] of the present Application, and only a single Figure 7 is described in the Detailed Description of the Preferred Embodiments, paragraph [0027]. For the same reason, Applicants respectfully request deletion of Figure 7b in its entirety. The second attached replacement sheet of drawings includes changes to Figure 8 and replaces the original sheet of Figure 8. These changes to Figure 8 are required by the Examiner's objection to Figure 8 due to the lack of descriptive labeling per 37 C.F.R. 1.84(o). The added descriptive labeling conforms to paragraph [0028] of the present Application.
